

Dover Township/Dover Borough Joint Comprehensive Plan JCPAC Meeting Minutes for December 27, 2005

1. Meeting Attendees

Meeting attendees are identified on the attached sign-in sheet.

2. Information and Report

Members of the committee provided additional information and copies of reports to JMT to assist with plan development. JMT reviewed the listing of information received to date and additional information requested or needed.

3. Review of Existing Conditions Report

JMT circulated a copy of a draft Existing Conditions Report to each member of the committee. Additional copies were provided for members not in attendance. JMT provided an overview of the existing conditions report section by section. The group provided input, asked questions and identified areas where there may be a need to obtain additional information. JMT provided an explanation and points of clarification throughout the presentation.

4. Review of Community Survey

JMT circulated a draft community survey. The group provided initial comments and suggested revisions.

5. Public Comment Period

No members of the general public attended.

JCPAC Assignments

- Review Existing Conditions report and provide written comments.
- Review draft community survey and provide comments.

JMT Meeting Follow-up Items

- Coordinate with committee members and staff to obtain additional information.
- Make necessary revision and/or corrections to the draft Existing Conditions Report.
- Prepare for the next meeting.
