JOHNSON, MIRMIRAN & THOMPSON
Engineering A Brighter Future®

An Employee Owned Company

Federal Programs

JMT is a multi-disciplined firm providing consultant services to federal, state, and local government agencies. We provide a complete array of engineering and management services integrated to our client's needs to deliver creative, proactive solutions that improve product delivery and meet project goals.

JMT is uniquely positioned to provide a full range of professional AE services to the federal government. Our multi-disciplined staff has the breadth of experience to provide all the services necessary to successfully complete any project. Our firm has a long-standing tradition of industry leadership demonstrated by a highly successful record of project delivery and repeat clientele. Our extensive work history with numerous federal agencies is indicative of our technical knowledge, team approach, and drive to provide client based solutions.
